

## LED WALL SCONCE UP OR DOWN LIGHT

MODEL: AL-SC-UD-10W

### Description

aspectLED's sconce lights use up to 80% less energy than incandescent lights and put out a much nicer light, available in a variety of bulb colors. These lights are perfect for retrofit or new construction applications in industrial, warehouse, manufacturing, commercial, office, residential, and hospitality facilities. These lights are suitable for wet locations, and IP65 rated. Our LED sconce lights feature an attractive modern/minimalist design and utilize high-power LEDs, for the ultimate in energy efficient and aesthetically pleasing light. Available in three voltage options including 12VDC, 12VAC and 110VAC.
