

# Mud-In LED Channel, Narrow

## AL-TRK-MUD2-N

Dual-Wing Aluminum Mounting Channel

### DESCRIPTION

The Narrow Mud-In Channel is a durable aluminum housing built to be seamlessly embedded into drywall during construction or renovation, offering a sleek way to protect and diffuse your strip lights and add custom lighting at any stage of your project. Customize your look with a frosted or smoke lens, depending on whether you want your lighting to stand out or stay subtly hidden.

This narrow model has a 5/8" visible lens and accommodates strip lights up to 12mm wide.
