

# Micro LED Channel

## AL-TRK-SM-M

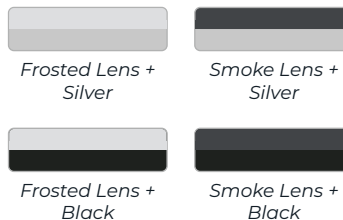

Compact Aluminum Mounting Channel

### DESCRIPTION

At less than 1/4" wide, this channel offers designers and homeowners a go-to channel for the times when other solutions just don't fit. Whether for near-invisible undercabinet lighting, super low-profile accent lighting, or anything in-between, consider our Micro channel your first choice for delivering big impact in small spaces. Mix and match lens and channel colors to achieve maximum customization and pair with our **X-Series Ultrabright** and deliver up to 365 lumens per foot with our thinnest line of light yet.
