

Surface Mount LED Channel, Narrow

AL-TRK-SM-N

DESCRIPTION

This surface mount channel is compatible with all indoor-rated (IP20) strip lights up to 12mm wide. Available in sleek silver or black aluminum finishes, it can be paired with clear or frosted lenses for maximum brightness and diffusion, or a smoke lenses for subtle accents. Its slim 0.28" low-profile design makes it ideal for tight or challenging spaces. Crafted from durable aluminum, it shields strip lights from damage and tampering, while providing smooth, even light diffusion and effective heat dissipation to extend LED lifespan.

This channel has a 9/16" visible lens and accommodates strip lights up to 12mm wide.
