

Wireless Tunable White Wall Controller +DMX

AL-CTRL-CCT-DMXRF-WMT

DESCRIPTION

Effortlessly control your tunable white LED lighting systems with this sleek, wall-mounted controller. Designed with a modern glass touch interface, it allows precise adjustment of both color temperature and brightness, giving you full, independent control of dimming (1-100%) and CCT tuning.

This versatile controller can operate through a hardwired DMX connection or wirelessly via RF receivers, offering flexible installation options. Compatible with both 12VDC and 24VDC power systems, it's the perfect addition to any dynamic lighting setup.

KEY FEATURES

12/24 VDC

DMX

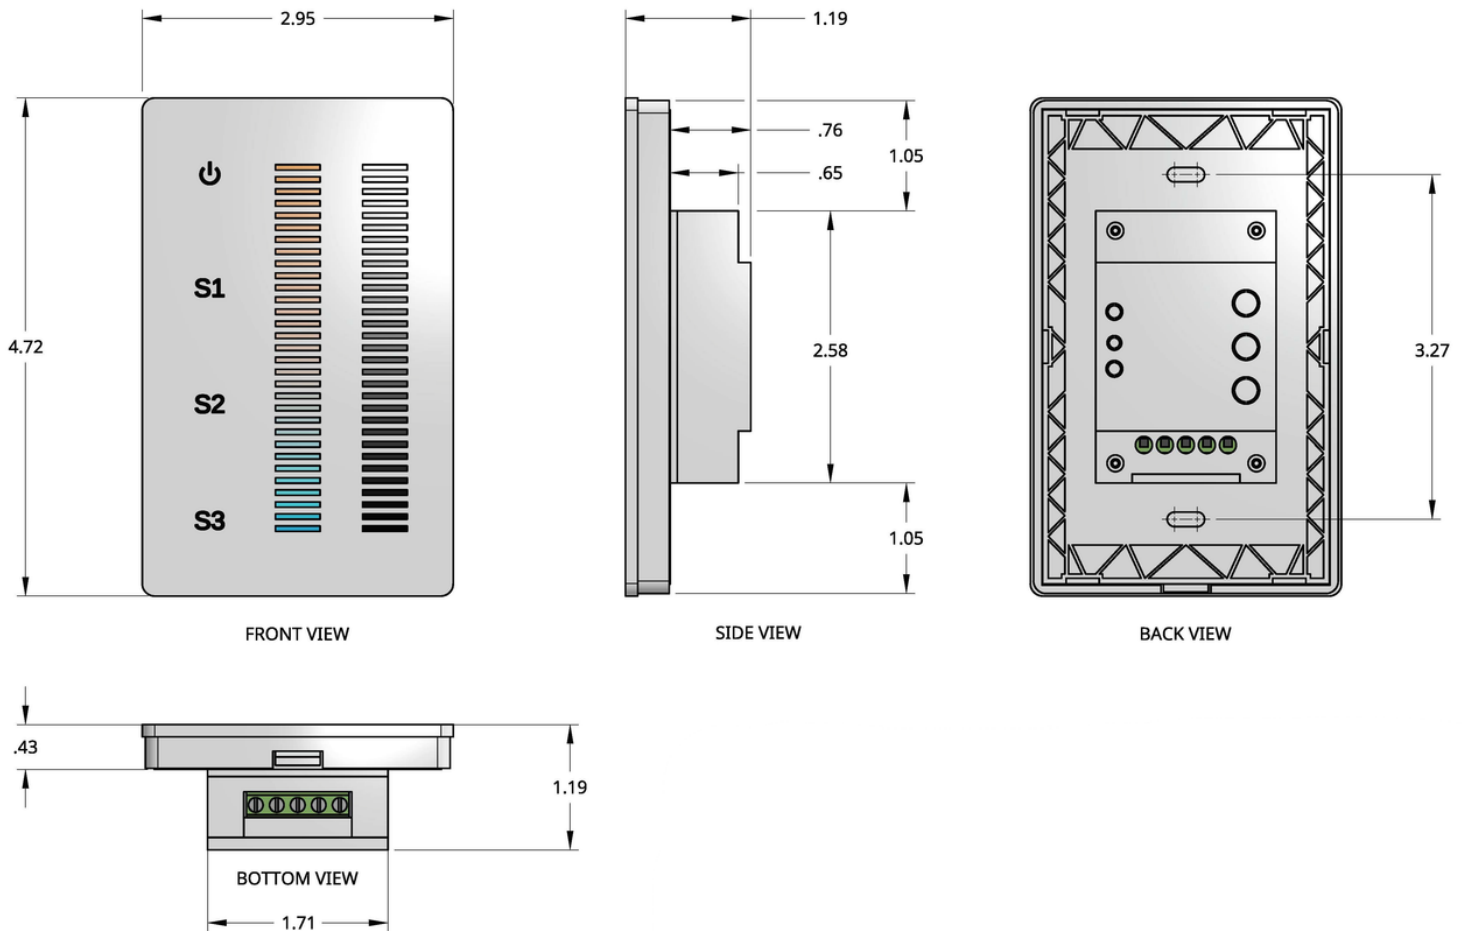

Wireless
