

320 Watt Commercial Ultra High Output LED Flood Light

MODEL: AL-FL-HP-320

DESCRIPTION

aspectLED's flood lights use up to 80% less energy than halogen, metal halide or high pressure sodium lights and put out a much brighter, more even and more aesthetically pleasing light, available in a variety of color temperatures of white.

These ultra-high output flood lights are perfect for applications and jobs that require extreme amounts of light, such as industrial production, agricultural, logging, stadiums, or large construction job sites.

Accepts a wide voltage range (100-277VAC). Also available in 347VAC and 480VAC versions.

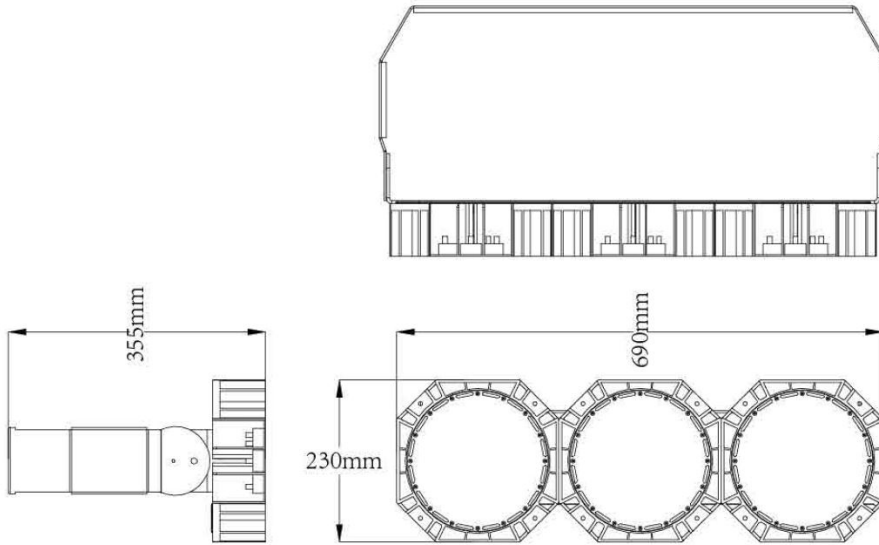

PHYSICAL DIMENSIONS + SPECIFICATIONS

Light Fixture Dimensions	27.2" Wide, 9" Tall, 14" Deep
LED Driver Input Voltage	100-277VAC, 347-480VAC
Beam Angle	20, 30, or 45 Degrees
Dimmable	Yes, special order only
Nominal Power Consumption	320 Watts
Max Luminous Flux of LED Array	54,400 Lumens
LED Quantity	180
Fixture Material	Die Cast Aluminum
IP Rating	IP67
Fixture Weight	25 pounds
Estimated Lifespan	Up to 50,000 hours
Warranty	1 Year
Suitable Uses	Outdoor, dry, damp or wet locations
Standards/Certifications	UL Listed, DLC Listed
