

Wide Angle Commercial Indoor/Outdoor LED Flood Light (40W)

MODEL: AL-FL-S40

DESCRIPTION

aspectLED's flood lights use up to 80% less energy than halogen, metal halide or high pressure sodium lights and put out a much brighter, more even and more aesthetically pleasing light, available in a variety of color temperatures of white.

These lights are perfect for office, retail, and hospitality facilities. Also great for large area lighting, wall washing and accent lighting applications.

Our wide angle commercial series 40W LED flood light is the perfect solution for architectural accent lighting, landscape lighting, flag pole lighting, parking lot or other exterior lighting, industrial or commercial lighting, or security lighting solutions.

This light puts out approximately the equivalent of a 150W metal halide light!

This flood light is IP65 rated, which means it is suitable for indoor or outdoor use and features an attractively styled body/housing that swivels on an adjustable mounting arm.

Looking to use this flood light in your landscaping? Check out our attachable stake base mount!
