

Modern Landscape Recessed Indoor/Outdoor LED In-wall Light

MODEL: AL-IWM-L

DESCRIPTION

aspectLED's Modern series in-wall recessed lights are bright, energy efficient, and attractively styled, making them perfect for virtually any application. Ideal for installation in garden walls, stairways, building entrances, elevator lobbies, pathways, or public parks.

These recessed in-wall lights are waterproof (with an IP65 rating) and feature a stainless steel trim and die-cast aluminum body. These lights come standard with a clear frosted trim.
