

Signature Series LED Landscape Light (Surface Mount) - Ultra Bright (9W)

MODEL: AL-LL-SSB-9

DESCRIPTION

Our most popular selling landscape light, this 9W signature series 3.78" diameter x 3.5" deep landscape light can be surface mounted on ground, ceiling or wall surfaces. Also available in a stake mounted version. Perfect for architectural landscape lighting, patios, garden walls, decks, docks, gazebos, walkways, and many other locations.

aspectLED's landscape LED lights are bright, energy efficient, and attractively styled, making them perfect for virtually any outdoor application. Ideal for installation in gardens, landscaping, garden walls, building entrances, pathways, decks, gazebos, public parks, docks, and marine environments.

These LED landscape lights are waterproof (with an IP65 rating) and feature an aluminum body. These lights come standard with a clear glass trim.
