

Non-Waterproof 400 Watt Switching Power Supply

MODEL: AL-PS-N-400

DESCRIPTION

aspectLED offers a full line of constant voltage LED power supplies (drivers). A high quality constant voltage power supply results in your LED lights using less energy, shining brighter, and lasting longer. That's why aspectLED offers the highest quality switching (switched-mode) LED power supplies. Our power supplies can be used with a wide variety of in-line LED dimmers. All of our power supplies are energy efficient and eco friendly.

Our power supplies feature flexible input voltage (100-240VAC) and can be ordered in 12VDC or 24VDC outputs. Wattage displayed is the Maximum Wattage. These power supplies are rated to run at 80% continuous wattage or 320 Watts continuous.
