

## 100 WATT POWER SUPPLY

MODEL: AL-PS-W-100

### Description

aspectLED offers a full line of constant voltage LED power supplies (drivers/transformers). A high quality constant voltage power supply/transformer results in your LED lights using less energy, shining brighter, and lasting longer. That's why aspectLED offers the highest quality LED power supplies. Our power supplies can be used with a wide variety of in-line LED dimmers. All of our power supplies are energy efficient and eco friendly.

Our power supplies feature flexible input voltage (100-265VAC) and can be ordered in 12VDC or 24VDC outputs. Wattage displayed is the Maximum Wattage. These power supplies are rated to run at 80% continuous wattage or 76 Watts continuous.
