

HP-SERIES LOW PROFILE 38" LED WALL WASHER (36W)

MODEL: AL-WW-HP-38

Description

aspectLED's HP-Series wall washers are perfect for interior or exterior wall washing applications and are easily concealed due to their compact size. These wall washers are the choice of electricians, lighting designers and architects worldwide for their high performance light output, attractive styling, and accurate colors. Available in a variety of light colors, as well as RGB color changing which is capable of producing up to 16.7 million colors via a DMX color control system (not included).

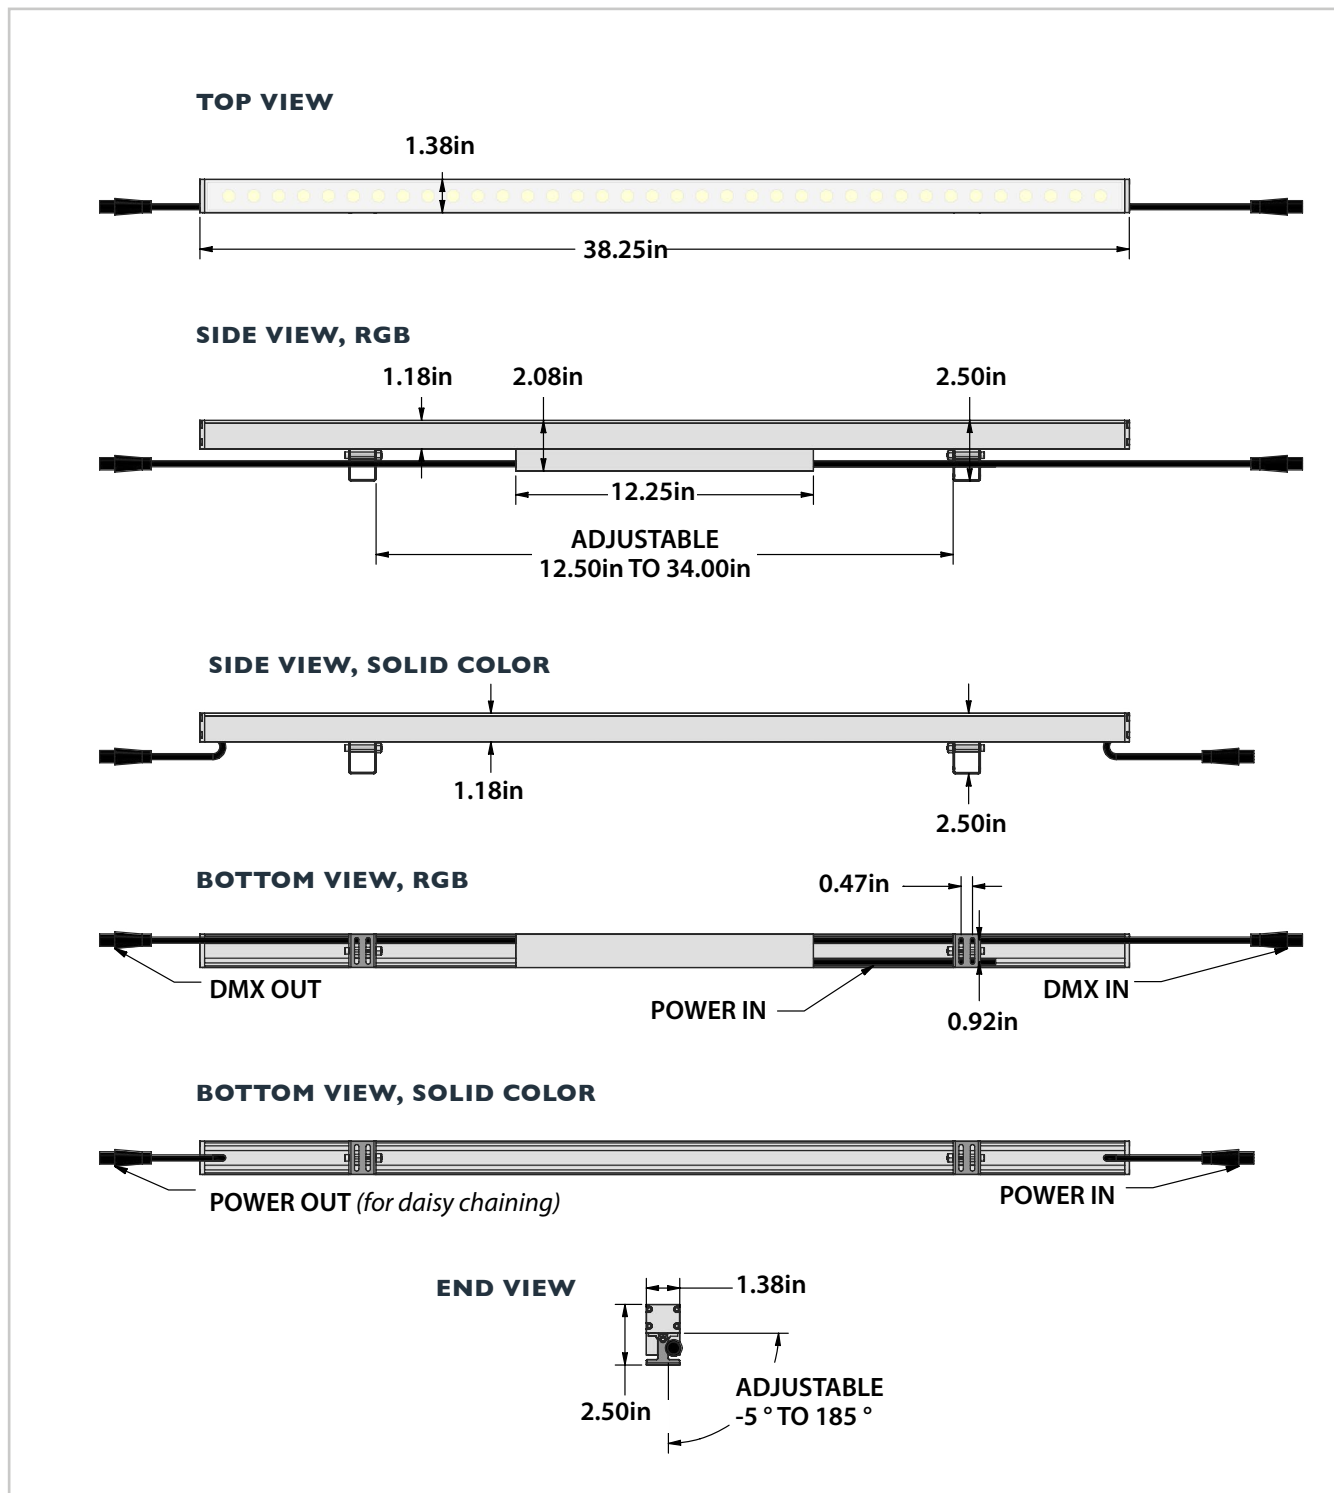

These fixtures are low voltage 24VDC and require a power supply. Power supply is not included with fixture.
