

Slim Line 12" LED Wall Washer (9W)

MODEL: AL-WW-SL-12

DESCRIPTION

aspectLED's Slim Line series of wall wash fixtures are perfect for interior or exterior wall wash applications and are easily concealed due to their compact size. These wall wash fixtures are the choice of electricians, lighting designers and architects worldwide for their high performance light output, attractive styling, and accurate colors. Available in a variety of colors, as well as RGB (up to 16.7M colors).

The RGB version of this wall washer is capable of producing 16.7 million colors and features 31 built-in color changing programs. Or, it can be controlled via a DMX decoder/driver.
